Roman Anton Newsletter #14: Roman Anton Newsletter Look Back

Hello everyone!

We have had a very productive last twelve months. In December of 2025 we had our tenth anniversary as a band and our eighth anniversary playing our regular Saturday night gig at the Queen Bee on Sukhumvit Soi 26 here in Bangkok. We had a great party at Queen Bee and will release our video footage from that night. Over this past year we started the release of our Launches, which is our name for albums or drops. *The Changer* (Launch 2), *Last Clear Chance* (Launch 3), *After Midnight* (Launch 4) and now *The Crusader* (Launch 5) all getting released with our videos on our YouTube Channel, Roman Anton (@RomanAntonThai). We also released our first commercials for both Roman Anton and KingPhin.

After a longtime editing we released feature length videos of our two Japan tours videos. We also started selling our second series, Series 2, of the KingPhin guitar . Our *Soi Electric* Series 2, and our *Soi Acoustic* Series 2 are improved versions of our tear drop and rectangle body, still in teakwood but refined and souped up, thanks to the guidance of our good friend Fabao, from Roman Anton Podcast #29.

Last month we issued Roman Anton Podcast #48 with the Thailand legend, actor, writer Joe Cummings.

Since January we have been in the studio finishing our last songs for Launch 8, which will be a double album/launch style release with over 20 songs. I am looking forward to releasing Frank's song *Desire* and I am getting excited about finishing two of my latest songs, *Naturally* and *And If. . .* We invited our good friend Keith Nolan (from Roman Anton Podcast #47) to help on keyboards, strings and sounds.

All along, we issued our monthly newsletters. I wanted to thank you all for reading and responding to them.

We will host all of these newsletters on the Roman Anton and KingPhin websites.
