Roman Anton Newsletter #20: *Launch 5, The Crusader*

Hello everyone!

In earlier newsletters we already introduced Launches 1, 2, 3, and 4, respectively called *Tierra Del Fuego*, *The Changer*, *Last Clear Chance* and *After Midnight*.

We are now introducing you to Launch 5, *The Crusader*.

You might recall that most of the Roman Anton songs in Launches 1-8 were recorded studio live or, to put that another way, were recorded with all three members of the band playing and recording at the same time.

In Launch 6 we have 5 songs studio live ("L") and 5 in the studio ("S"). Here is the music song list for Launch 5:

1. The Crusader Theme (L)
2. I'm The Man (L)
3. When She Sleeps (L)
4. Through Her, With Her (S)
5. Never Like I Do (S)
6. People's Park (S)
7. Die For You (S)
8. I'm Sorry Man (S)
9. You Hurt Me (L)
10. If I Fell (L)

This Launch opens with an instrumental written many years ago and designed to accompany *The Crusader, The Novel*. The short lyrics in the song were included when the song became the title track. This Launch also has our original band line up of Roman, Frank and Roger. Frank offers his song *Never Like I Do*. You can find our videos for all of the songs on YouTube.

We introduced our second musical offering in Newsletter #19 where we talked about our Sibelius musical transcription. We call the Sibelius generated digital music our own unique brand of “karaoke” music, something to which you can play and sing-along. It’s the computer sound that accompanies the actual tracks and the scored music in *The Crusader, The Music Book*. We offer karaoke versions of every Launch.

We still recommend using this karaoke to accompany your favorite instrument and sing the lyrics using the Music Book lyric sheets.

THE NOVEL

ROMAN ANTON

The artwork and the song once again represent the themes of the novel and the song lyrics. This time we worked with some artificial intelligence to augment the co-star or co-main character in *The Crusader*, which is a vintage bus. The lead character Elliott, who has appeared in all the previous written works, is on a cross-country exodus on the bus and finds himself having to make a life-or-death decision, while attempting to stay safe on the journey.

That covers *The Crusader* Art, Creations, Music and Words.
That's all for now.

See you next month!
