Newsletter #2: About Us

Hello Everyone!

Thanks for all the responses to our September Newsletter #1. We are back with Roman Anton Newsletter #2: *About Us*.

If you have visited our website, looked at our social media or seen us live, there have been several consistent people in our posts and messages: Roman Anton, Roger Denoon, Frankeins Ville Jangad and Shogo Oyama.

Roger, Frank and Roman started playing together in 2015 and began playing live shows in Bangkok in December of 2017. Roger on drums and vocals, Frank on bass, guitar, piano and vocals and Roman on guitar, piano and vocals.

If you search the www.romananton.com website you can find profiles of the band members, like this one on bassist, song writer and video editor, Frank: GTK-Frankeins Ville Jangad – RomanAnton.com®. You can also find some other articles on related band and company projects.

In December of 2019, Roger returned to the USA and Shogo moved onto the drummer's throne, immediately jumping into our weekly gig at Queen Bee and then playing The Jai Thep Festival with us for our second year in a row. Here's a clip of our song *Mike O'Brien*, live at Jai Thep, Chiang Mai, 2020.

During this entire time the band wrote and recorded a large amount of original material. We have been releasing these songs on the Roman Anton website. As I mentioned in Newsletter #1, these songs are released as “Launches” with ten songs on each, like this one for the first Launch called *Tierra del Fuego*.

In 2023 the band played more regular gigs and then toured Japan two times. We expect to drop that video soon. Here’s the poster for the *Go Where U Want 2 Tour*

We have some visa applications in process for our planned upcoming tours, so we hope to be able to meet you on the road.

I am looking forward to writing Newsletter #3: *Tierra Del Fuego*.

Until then, keep in touch.
